

# Delco Swimming & Diving League

## Runner Cards at the Meet

**Updated June 11, 2024**

Stapling the runner card like below will allow your runner to write all the times down the right side.

The swimmers will still be in the lanes listed 1, 3, 5 for Home and 2, 4, 6 for Away but this allows the scorer to easily read and input the times into Meet Manager.

Also the runner would use the card on the right to write in place judges order of finish.
